

Dated the 14th July 2018

PRESS NOTE

As part of month long celebration of 69th Van Mahotsav-2018, an Essay Writing Competition was organized by the Department of Environment and Forests for Class XI & XII (Senior Group) at Govt. Senior Secondary School, English & Tamil Medium, Haddo. About 54 students from various schools participated in the Competition on 14th July, 2018.

A Mass Tree Planting Programme was also organized in the campus of Radha Soamy Satsang Vyas at Garacharma with the active participation of the members of the satsang, general public of Garacharama and Officers from the Dept. of Environment and Forests in the event by planting fruit bearing, flower bearing, medicinal & shade bearing plants in the campus. In his address, the DFO (Extension & Publicity Division) insisted one & all to plant more & more trees which would meet our local needs and also to make our surrounding a better place for living.
